

# THE TINPLATE COMPANY OF INDIA LIMITED

## JAMSHEDPUR

### FOOD SAFETY POLICY

We are committed to demonstrate our ability to control hazards related to food safety by ensuring that our Standard Grade Products as per:

- IS 1993:2006 for Cold-Reduced Electrolytic Tinplate
- IS 9396 (Part 1) – 1987 for Round Open Top Sanitary Cans for Foods and Drinks Part 1 Tinplate
- IS 12591:2006 for Cold – Reduced Electrolytic Chromium / Chromium Oxide Coated Steel

have no contamination that could eventually cause a risk to health. We shall mitigate physical, chemical and biological hazards to meet the food safety requirements.

The food safety policy shall be communicated, implemented and maintained at all levels of the organization.

We shall comply to all the applicable statutory and regulatory requirements related to food safety applicable to our products.

(R. N. Murthy)
