

THE TINPLATE COMPANY OF INDIA LIMITED

JAMSHEDPUR

INFORMATION SECURITY POLICY

Information Technology Services (ITS) (interchangeably, also referred to as Management Services Department or MSD) of The Tinplate Company of India Limited is committed to provide IT services aligned to the Company's values, purpose and business needs. ITS has adopted ISO 27001:2013 Information Security Management System for protecting confidentiality, integrity, and availability of Information assets to satisfy applicable expectations from stakeholders/users.

Risk associated with Information Assets shall be evaluated and analyzed considering impact and probability of occurrence. Mitigation of risk shall be undertaken as appropriate through proper controls, policies, procedures, service agreements, awareness, training, and involvement of stakeholders/users.

ITS shall comply with regulatory, legislative and contractual security obligations and encourage continual improvements in information security practices.

This policy shall be communicated to all stakeholders/users as applicable.

(R. N. Murthy)
Managing Director
